

PATENT APPLICATION

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re the Application of

Kelvin G.M. BROCKBANK ET AL.

Application No.: 10/099,943

Filed: March 19, 2002

For: ICE-CONTROLLING MOLECULES AND USES THEREOF

Group Art Unit:

Examiner:

Docket No.: 110978

INFORMATION DISCLOSURE STATEMENT

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

Pursuant to 37 CFR §1.56, the attention of the Patent and Trademark Office is hereby directed to the reference(s) listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the reference(s) be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

1. This Information Disclosure Statement is being filed (a) within three months of the U.S. filing date of this non-CPA application, OR (b) before the mailing date of a first Office Action on the merits in the present application. No certification or fee is required.

2. The Examiner's attention is directed to co-pending U.S. Patent Application No. 08/413,370, filed March 30, 1995, and U.S. Patent Application No. 08/943,147, filed October 3, 1997, which are directed to related technical subject matter. The Examiner is respectfully requested to consider the cited applications and the art cited therein during examination of the present application.

Respectfully submitted,

William P. Berridge
Registration No. 30,024

Christopher W. Brown
Registration No. 38,025
